Thanks for all the info and heads up Sonja. If you don't mind, I'll hold off moving the case until later in September to see if Springfield is still going to need you on the 27th.

OK, I just heard from the Springfield ADA and he stated, [REDACTED] is on for 10/27. However there is a motion to suppress on 9/23 which may end up moving the date." Not much help, but it's the latest thing I've heard about it.

Joe-

About a week ago I received your summons for the [REDACTED] trial scheduled for October 27th, but I wanted to give you a heads up that I may have a conflict as I have a trial scheduled in Springfield that day. The ADA in the Springfield case seems to think that his case will definitely go (as long as they have judges), but who really knows anymore. I'll keep you informed if/when I know more.
